

## THE OLD PANGBOURNIAN SOCIETY

Following my earlier communication this year, I am now ready to present the proposed way forward for the OP Society. To facilitate this, we must hold an Extraordinary General Meeting (EGM) to discuss and vote on several resolutions.

The future of the OP Society will hinge on the outcomes of this EGM, and I strongly encourage all OPs to review the attached Briefing Paper, which outlines the resolutions to be voted on.

Participation in the EGM can occur in three ways: 1) in person, 2) via Zoom online, or 3) by proxy vote.

Regardless of the method chosen, it is essential for all OPs to complete and submit the Registration/Proxy Form (#3 attached) by midday on 23 April to participate in the EGM scheduled for Saturday, 25 April.

Registration should be sent directly to OP Secretary Chris Stott at [Chrisdstott@hotmail.com](mailto:Chrisdstott@hotmail.com)
